STEP VAN MINISTRY"

## SING TO THE LORD A NEW SONG

During the last weekend in February, several of the Street LIFE staff traveled to Brevard, North Carolina to host a conference at Joy Outreach Fellowship. We held meetings Friday and Saturday night and Sunday morning, and the Lord moved mightily in our midst! He released a prophetic word in season for the congregation that was in exact alignment to their vision statement and that confirmed other words they have received before; how true that "our times are in His hands!" Isaiah 61, 42, and Psalm 40 were declared over them and there was a call for the "new song" to be released within them; it was an awakening and we saw many who were stirred up and who broke through into a place of freedom in these declarations! Thank you for your prayers!

**QUEENS  
HOUSE OF  
PRAYER  
FLUSHING...**

Recently the Lord led us to begin a weekly prayer watch to target the issue of human trafficking and sex slaves, an epidemic in many nations throughout the world including the United States. Sex slaves exist in unknown numbers among New York City's large immigrant population, and many Friday mornings we have found ourselves contending for the Lord to publicly expose what is happening and the locations, businesses, and people involved in this injustice. So you can imagine our excitement when this Thursday's Queens Chronicle featured an article on its front page entitled "Sex for Sale," which exposes the magnitude of the problem in our community and what we can do to help prevent it. The Lord is answering our prayers on the front page of the local newspaper!
